General Meeting: Tony Velardi **Cymbidiums "What's New in My Backyard"**

Tony began collecting cymbidiums a little over thirty-five years ago. He has a preference for pendulous cymbidiums, although, he does have a fair representation of upright novelty types and a few select standards. Tony has had the opportunity to serve as president of the San Gabriel Valley Branch on two separate occasions once in the early 80s and again in the late 90s, the Orange County Branch in the mid 80s, and he was president of the CSA Main Board during the early 90s.

In addition, he has served as a director on the San Gabriel Valley Branch Board and the Main Board on numerous occasions from the late 70s. Furthermore, he was a CSA Judge for about 20 years and was LA area chairman.

Several years ago, Tony joined hands with Ron Hill of Mariposa Gardens. Tony supplies the flasks and Ron, a superior grower of all plant genera, grows them out. Tony will be speaking from the prospective of a serious hobby grower with a wealth of knowledge to share. The plant table for this month will be provided by Mariposa Gardens. So don't forget to get your raffle tickets!
