7:30 PM – General Meeting

Our regular meetings are held on the 3rd Thursday of the month at
Los Angeles County Arboretum & Botanic Garden,
Lecture Hall, 301 North Baldwin Avenue, Arcadia

General Meeting: George Hatfield “Cymbidiums”

George Hatfield has become our traditional speaker for January every year and we are please to have him. George has over 25 years of experience in raising award quality Cymbidium orchids. He is the owner of Hatfield Orchids, which is fortunate to be located in Ventura County, California, and has an ideal climate for the growing of Cymbidium orchids.

George is active in both the Cymbidium Society of America (CSA) and the American Orchid Society (AOS), as well as several Southern California regional organizations for orchids.

He is an orchid judge for both the CSA and AOS. He is past president of the CSA and was the Chairman of the CSA Cymbidium Congress from 1998-2001 and president of the Santa Barbara International Orchid Show in 2002 & 2003.

Currently George is Chair of the Pacific South Judging Region, AOS, and Vice President of the Santa Barbara International Orchid Show.

George was the Key Note Speaker at the 2009 Australian National Orchid Conference in Melbourne.

George will also be bringing plants for sale.

Plant Opportunity Table

The plant table for this month will be provided by **Hatfield Orchids**. George always brings a wide variety of Cymbidiums, so don't forget to get your tickets!

A Note from Lana

The cold is a test of endurance and creativity. Good luck. Greg's hands on corsage lessons gave all of us the confidence to practice making and wearing the beauties! Our Board of Directors return for another year of service. Hopefully, every member will actively work to keep our society vibrant. We have a New Year to look forward to. May it be filled with healthy, 1st place orchids and winning raffle tickets, Una and Jim! I'd love a lot more room for more, and all the time to play with them! Best 2016 to all,

-Lana Tripathi
President
